President's Letter—John Lindeman

Hello campers ,

We have just finished an awesome week at Streator Baptist Camp. Jacob and Katie were well prepared for us and we accomplished a lot. Praise the Lord.

Some of us are preparing for national rally. We are anticipating a great experience in Florida. Several other couples are helping out at an Iowa COM project. Thanks once again for working together with other states.

The Otterville project is set for June 26 - July 1. Lunch will be provided daily by the church. Parking will be on the church parking lot with electric and water hookups.

The work list includes: handicap ramp rehab, baptistery step upgrade (steps, door, gate, handrail), replace drinking fountain, finish Sunday School room [paint, flooring, trim] and bathroom upgrade to handicap accessible.

I hope all is well with you. Keep praying for our COM family requests.

Hebrews 6:10 says "God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them ." John

Chaplain's corner by Francie Lindeman

Again, a blessed week at Streator. We were busy but such a blessing with what was accomplished.

Psalm 67:1 says May God be merciful and bless us. May his face smile with favor on us.

I feel every time we go out His mercy & favor is with us. Sometimes these jobs look like giants before us yet He grants all of us strength and stamina. Thank you Lord for your grace.

Francie

A note of thanks from Katie Kimbrough, Streator Baptist Camp - - -
