President's Letter—

Good morning COM family,

The winter months have brought lots of individual projects for all of us. Some have worked at Salem, some at Streator Baptist Camp, some at the Great Passion Play, some at Texas, many of you at AWANA clubs, lots of the ladies have been sewing and embroidering quilt squares, some have served at the Christmas Shoe Box sorting centers, lots of DR guys out attending to the ice/tree mess brought by the big ice and snow storm, others are busy serving in their churches every Sunday leading Bible studies or teaching Sunday School, singing in choir, running computer and sound for worship, others are leading women's mission groups or serving meals or seeing to the needs of others—there are so many ways we all serve outside of COM. Thank you for what you do. May you be blessed for your work.

As you should have heard by now, due to a scheduling conflict, our **February Fling will now be held on March 14 & 15 at Lake Sallateeska.** Please plan to be there if possible so that we can work together on the coming projects for the year and just have some time together. I don't know about you, but I have missed everyone.

Please get your praise reports in and see you soon.

Fred

A letter received from a long time member:

Dear IL COM,

I am writing this letter to let you know that my wife, Kim, passed away. I also want to thank you for all the invitations to all of the events over the past years. I appreciate you remembering me.

Thanks so much,

James (Bob) Sparks

Enfield, IL

Thank you, Bob, for the kind letter and we are glad to include you in what we are doing. IL COM is blessed to be able to continue to serve God in many different ways and keep in touch with former active COM members.

Faith Focus— A friend's husband had just undergone stomach surgery. When I asked her about his recovery process, she said "The doctors closed up some of the wounds, but they left others alone because they wanted them to heal from the inside.

Sometimes we long for quick fixes, but the Lord seems to say no to our requests for closure. He tenderly and lovingly invites us to seek him as our helper.

God is the only one capable of fulfilling this verse: Heal me, Lord, and I will be healed; save me, and I will be saved, for you are the one I praise. Jer. 17:14

We may not require physical surgery, our hearts can shatter and need intensive care. God lovingly stitches some of our wounds shut with help from family and friends, but he wisely leaves some places in our hearts open so he can heal us through the work he does within.

Jesus, I praise you as my Healer. You take my broken heart and stitch it back together. But you also want to heal some places from the inside out. I trust you, Lord, to heal me as you see fit. May I grow stronger as I seek you alone for my healing. In Jesus' name, Amen.

February is a month where there is a lot of talk about love. As Christians, we cannot comprehend a love so great as the love of God who sent His only Son to die for us in our place for our sins.

May we follow His example and love one another as He has loved us. May our hearts be pure and holy and desiring only what He wants for us.

The event will be held at the IBSA building in Springfield. Please make plans to come.

Thanks to the guys who helped out at the Mission Salem project. Mission Salem works with wheel-chair ramps building and removing in their area. They are putting up a new building and needed some help hanging dry wall. Present: Fred Riley, Richard Evans, Terry Odum, Bryan Keller, Gary Watson, George Meese, Jim Diercks and Logan and James.

IL COM goes to Texas to help Piney-woods Camp. Don & Jan Kragness, Fred & Paula Riley, Richard & Anita Evans, Jim & Marilyn, James, Logan, Sky, JoAnne, Ella and Eve Diercks and George & Penny Meese. Good job and thanks for serving there helping to prepare the camp.

Renovations in the Lake View Center (Worship building) at Streator Baptist Camp. This will add more chairs and make a better area for worship bands and speakers for camps, meeting and retreats. Thanks Dick Mowers and Mike Robertson, Andy Muller and Ron Jett from IL DR. Painting will be finished this week.
