## President's Letter—

Hello COM Family,

Hope everyone had a Happy Valentines day!!! The year is flying fast as March approaches.

We are looking forward to seeing everyone at Lake Sallateeska on March 14 & 15. We need to have some fun and talk through the coming year and plan the 50th Celebration. Remember to give me or Karen a call, text or email if you are coming so we can plan for food and have enough hotel rooms available.

This has been a hard winter with so many illnesses, deaths, health crisis situations and weather challenges for us all in some way. Thank you for your faithful prayer for our brothers and sisters and their families. Please continue to lift them in prayer and our COM year as we begin again.

I hope you are all starting to dream about getting out your camper and getting it ready to be used by the Lord this year. With all the RV and camping shows that are happening, it makes me ready to get out our rigs and at least start checking them over for the spring and summer.

I also want to make a final plea to you all—if you have not submitted your Praise Report, please do it immediately. Time is rapidly running out to get the information to National COM so we can be included in the report at National Rally.

1 Thessalonians 5-11

Therefore encourage one another and build one another up, just as you are doing.

Fred

## **Housing Options for National Rally 2025**

The SC COM president's advice on where would be a good area to stay for either hotel or B&B for the National Rally.

1. Hotels closest to the fairgrounds are on I 20. There are only 2 hotels and the reviews are not very good for either of them but he has not seen them personally. There are some hotels at the next exit on I 20 past the Aiken exit that might be better and they are not far. He said Whiskey Road is a good area and fairly close to the fairgrounds.
2. There are no cabins or any accommodations at the fairgrounds other than for campers. He said the camper sites are not really great but should work ok for our week. The camper spots are very narrow and were designed for small trailers like would be used by people who work the fair. There is a state park campground that is pretty close and you might want to check into it.
3. Aiken is a fairly small town and it is about 15 – 20 minutes from the fairgrounds. There are not many hotels there but you can check into it.
4. There seem to be quite a few Vrbo and B&B listings available fairly reasonably priced and some large enough to share with other couples if you want to split costs. He said they often fill up because of all the events in the area in the summer. They are not necessarily cheaper than staying in a hotel but it is a little more comfortable and private. His strongest advice was make sure you check the reviews and check the dates on the reviews.

### **A Season of Lent**

This year, in 2025, Ash Wednesday is recognized on Wednesday, March 5. The day also marks the beginning of Lent, which lasts 40 days, and ends on another Christian observance, Holy Thursday.

Holy Thursday is on April 17 in 2025 and Lent officially ends at sundown. Good Friday is April 18 and Easter is observed on Sunday, April 20.

Prepare your hearts for this blessed season as we remember the sacrifice that Jesus made for us to bring us salvation.

**Faith Focus**— When we worry, our minds get an unnecessary workout. We **RUN** through possible outcomes and we **JUMP** to conclusions. Worrying is an exercise in futility. It leads to fear and stress instead of faith and rest.

God knows what's going on in your life. He cares about your situation. He loves you. Worry steals your peace and joy, but the Lord gives peace and joy abundantly.

Do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough troubles of its own. Matthew 6:34

You also can pursue these scriptures about worry: Psalm 34:4-5, Phil 4:19, Isaiah 41:10, Psalm 94:19, Psalm 119:143, Psalm 56:3, I Peter 5:7, Phil 4:6-7

Lord Jesus, thank you for loving me, and for caring about me. Since you know everything, you know the strong sense of worry I have felt. Thank you for understanding my worry and forgiving me when I am struggling to avoid your wisdom, and seek to control things through worry. Right now, I release all of my worry to you. I trust you with my situation, my future, and myself.

In Jesus' name, AMEN

**DID YOU KNOW- - -**

**Our sewing project is expanding and adding several churches  
that want to help us spread God's love???**

First Baptist Marion has established a sewing group that meets every Monday at a room in the church designated for sewing bears. They have purchased two used Brother sewing machines and have been given lots of fabric and thread, some ribbon and lots of fiber fill. There are approximately 15 women who are helping sew and some are taking bears home to work on them. As of Wednesday, February 19, they had 16 bears completed. Thanks Marilyn Thomson, Sondra McKenzie and Jan Kragness for getting this project going.

New Beginnings Baptist Church, Streator, is having a sewing day out at Streator Baptist Camp on Saturday, March 1. We have been given almost enough fabric to make 100 bags which is what MorningStar Mission would like to have this year.

God has been gracious to us and people in our churches are hearing our story of what we are doing, why we are doing it and what a blessing it is to the people that receive the items that are made. Thanks to them for all for their generosity of prayer and materials. With the sad closing of JoAnn Fabrics in many of our local locations, please keep an eye out for great bargains or if you like to garage sale, we often find fabric there, too. God's work is not done yet and neither is ours.

**Note from the editor . . . .** IL COM is so excited to send out so many email newsletters each month and pray that they are being read, used to guide prayers, and provide a platform for discussion at your churches and with your friends as you tell them about what we are doing, how they can get involved and invite them to come with you.

Having said that, there are many on our mailing list that I don't know and I want to make sure that you want to continue to receive the newsletter each month. It is not a problem to get them to you by email or postal mail but some of you may not be interested in receiving them any more. Please let me know if that is the case and I will make sure to remove your name from our list. We don't want to bother you if you are not interested.

I have heard from many of you that you do enjoy receiving it and staying connected with IL COM. We appreciate your prayers, notes that you send and the memories you share with us. Many of you were members when COM was just starting and you helped create a great group with a heritage of Godly service. Thanks for what you did then and how you still support IL COM with your prayers. Our Illinois SBC camps and the Children's Home are still doing mighty works of God that you helped to support many years ago. Other small churches or other places are still standing because of what you did for them.

Please respond to Karen Mowers at [kcc61254@gmail.com](mailto:kcc61254@gmail.com) or 309-945-3971 if you would like to have your name removed. I hope you all want to stay on our mailing list but let me know if you do not.

Karen Mowers
