President's Letter—

Hello COM family,

We had a great week in Carmi!! Of course it was very hot, but we still had fun and got a lot done. I would like to thank everyone for coming and working in the heat. We pray it was a blessing to the Baptist Home and Family Services organization.

I would like to thank Phil and staff of Carmi Children Home for hosting us. We were so glad we got to spend some time with the residents and house parents.

I would like to thank George for the sermon and Penny for the music at the worship center. Well done!!!

Thanks to the cooks and helpers and those who donated produce from their gardens. The food is always good,

Thanks for everyone for helping this week in whatever you did!!!!

We were blessed to be able to present in person the Lifetime Achievement Awards to Jerry and Margaret and Jim and Judy. What a blessing you have been to IL COM along with Jim and Chloe and Don and Jan. May God bless you all for your service to His kingdom and leadership to IL COM through the years.

Verse for today is First Corinthians 12:20

But now are they many members, yet but one body!!!

President,
Fred

Chaplain's Chatter -

Jeremiah 17:14 "Heal me, O Lord, and I shall be healed; save me, and I shall be saved, for you are my praise."

We have so many of our COM family that need prayer and healing at this time (see Karen's prayer list email). God has many different ways to heal us of our sicknesses. Sometimes God heals directly by his power because of prayer. Other times He heals through medicines, surgery or other forms of therapy. It is important for us to keep our friends and family in prayer. We need to be supportive and uplifting to those in all types of needs.

3 John 1:2 "Beloved, I pray that all may go well with you and that you may be in good health, as it goes well with your soul."

Marilyn

There are 3 beautiful State Parks close to the camp: Starved Rock, Mattheissen, and Buffalo Rock that you can visit and have lunch. There are also several interesting museums in Streator and Peru as well as the I&M Canal museum and canal boat tour if you are interested.
